

OLVER ANNOUNCES \$585,000 FOR COLLE REDEVELOPMENT PROJECT

May 17, 2001

Washington - Today, Congressman John Olver (1st District) announced that the U.S. Department of Housing and Urban Development has approved a \$585,000 grant for the Colle Building Redevelopment Project in Montague, Massachusetts.

"This project is a great example of local, state and federal resources coming together to revitalize a historic building and create new jobs in the community," said Congressman Olver.

Congressman Olver wrote a letter in support of the application, and has worked closely with the Montague community to ensure the project's success.

"A thriving Turners Falls is good news for Franklin County and all of Western Massachusetts," said Olver. "This project will create jobs and revitalize a historic building in the heart of the community."

Montague officials have been working on the Colle Building Redevelopment for several years. The project will create jobs and revitalize a historic building in the heart of the community.
